Attention Veterans!

Did you know there are two types of Disability Benefits? Both pay monthly benefits to disabled veterans.

Disability Compensation: You may be eligible to receive monetary compensation if you are at least 10% disabled as a result of your military service.

Disability Pension: You may be eligible for a monthly pension if you are a wartime veteran with limited income, and you are no longer able to work or are age 65 or older.

There is no deadline for applying for the above benefits

State and County Benefits: Your county veteran affairs office may provide assistance for additional State and County Benefits.

If you live in Guthrie County, contact Beth Watson (641) 747-2546
