POPS 2023 stuns audience

POPS 2023 Concert performed stunningly at the Rosemary Clausen Center March 6 evening. The directors of this amazing event were Mr. Jonah Kistenmacher and Mrs. Kris Kistenmacher. Playing percussion at times was Adam Dreeszen.

To begin the evening, the Jazz Band wowed us with such musical events as *Heart and Soul* and *My Funny Valentine*.

The Concert Choir then paraded the stage in their tie-dyed t-shirts and sparkling sunglasses singing tunes like *Party in the USA* and *The Lion Sleeps Tonight*. Their fondness of

the songs showed wonderfully in the event.

To complete the evening, the Select Choir dazzled the audience with the girls in their black sparkling dresses and the boys dressed in black. It was a very fine performance of *Ain't No Mountain High Enough* and *Lovely Day*.
