# **Fast start powers unbeaten** Humboldt past Gilbert, 31-6

District title on the line Friday night at Nevada

#### **By PHIL MONSON**

Humboldt senior quarterback Will Orness has mastered the learning curve in a short amount of time.

Orness, playing only his fourth full game at the position after playing wide receiver the last two and one-half seasons, accounted for 286 yards of offense to lead the top-ranked Wildcat football team past the Gilbert Tigers, 31-6 at Mason Maach Field in Humboldt last week (Oct. 7).

Orness passed for 135 yards and rushed for 151 yards as Humboldt improved to 7-0 overall, 3-0 in Class 3A District 2. It was Humboldt's final regular season home game where the seniors were recognized prior to kickoff.

Orness has provided a dangerous rushing element to the Humboldt offense, similar to what Caden Matson meant to the Wildcats a year ago when Humboldt reached the state semifinals.

"Will has really grown. I am

very proud of the way he has embraced the move to quarterback," Humboldt fifth-year head coach Derrick Elman said.

"He is such a competitor and you can see that every time the ball is in his hands. Will never gives up on a play and his teammates keep working because they know what he's able to do," Elman said.

"I feel that this team has really come together. I had a rough start to quarterback but am slowly getting more comfortable," Orness said. "The biggest transition for me is I have more responsibility than I'm used to having."

Humboldt scored on each of its first three possessions to take a 21-0 lead midway through the second quarter.

On its first play from scrimmage from its own 45, Orness found a hole on the left side and then dashed 55 yards for the drive in the first half, it helped score. Trever Beach kicked the extra point.

Humboldt's defense stuffed the Tigers on the next series, which included a sack by Hunter

Dery to force a punt. Humboldt mounted a 65-yard, seven-play drive which finished on an 11yard pass from Orness to Beach for a 14-0 lead.

Gilbert's next drive ended at the Wildcat 20. Humboldt took over and ran 10 plays covering 80 yards, capped by Lance Coon's four-yard scoring run. Beach kicked the point-after for a 21-0 lead with 6:31 left in the first half, a lead which they took

into halftime. "Some weird things happened tonight that I've never seen before," Elman said. "We had some completions where Will kept the ball alive by scrambling and was able to get down the field. Gilbert came in and played us a tough game. They gave a tre-

mendous effort and had kids that worked really, really hard. Hats off to them."

"When we scored on every a ton. It set the tone for the game," Elman said. "When they got the onside kick to start the second half, we had talked about

that before but when it happens,

"I'm super proud of the kids. I'm super excited for the seniors to get a win in their last regular season game," Elman said.

Gilbert successfully executed the onside kick to start the second half but their hopes were deflated on the very next play when Humboldt's Gaige Allen intercepted an Owen Kautman

In their final home match of the regular season, Humboldt easily dispatched the Cadets by scores of 25-10, 25-12 and 25-6. The triumph moved Humboldt to 16-8 overall, 5-1 in the North Central Conference.

The Wildcats had impressive stats on the night, including 27 ace serves. Livvy Becker and Kayla Gieber each had 10 aces. "Overall, they did the job they

needed to do. We limited errors and were aggressive, especially the serving and passing," HHS coach Kara Waldorf said. "On offense we have tried some different things in practice and it was fun to get out there and control the whole match."

"You can't control the talent that's in each meet but you can control how hard you compete. I've been really impressed with the large number of kids who are really starting to have those little races within the races," Clasen said. "Our girls had a good night

Brynn Malo and Gabe Thumma both finished first in their respective races to lead the Humboldt cross country team at Boone on Oct. 6.

The meet, added to the schedule at the start of the season, provided another opportunity for the Wildcats to prepare for post-season.

Malo won the girls' race in 20:25 and Thumma won the boys' race in 17:49.

The Wildcat girls totaled 30 points to finish behind Gilbert at 25. Boone didn't field a full squad. Gilbert won the boys' portion with a score of 24. Boone (24), Ogden JV (78) and Humboldt (92) followed. "We've had kids who were

hurt and missed some early season meets so tonight was helpful for us to get the extra race," Humboldt coach Dean Clasen said.

"It was a fast, flat course and we had a chance to get a fast time so mentally we can run faster and break some barriers psychologically," Clasen said.

"I think only two or three guys are coming back next kids didn't have a season's year. We have a lot of underbest or a personal record, classmen on our girls' team, which we had a lot of tonight," so that will be important for Clasen said. Just her fifth race of the season coming back from injury." "Sarah Numedahl and Tori Gargano were our leaders on the JV. We had a lot of girls run faster tonight," Clasen "Gabe went out and ran a personal best by over 30 seconds to finish in 17:49. For him to break 18:00 is really big. It puts him in good company. #### overall on the season

Victories over Fort Dodge and Iowa Falls-Alden last week improved the Humboldt junior varsity volleyball team's season record to 9-2 overall, 6-0 in the North Central Conference.

The Wildcats downed Fort Dodge (21-10, 21-16) in non-conference play on Oct. 4 in Humboldt. The Wildcats hosted Iowa Falls-Alden on Oct. 6 and swept the Cadets by scores of 21-13, 15-12, 21-13 and 15-12.

"We played Fort Dodge earlier this year but JV rosters change so frequently I never expect to see the same lineup from a team we play a second time," Wildcat coach Kathi Beach said. "Aside from a fivepoint run we allowed in the middle of the second set, we played well."

"Our offense continues to improve as we had 17 kills as a team. Our serving has also really come on with players hitting zone serves well and compiling seven aces as a team. It was a good win," Beach said.

so positive. I love that we can play a sport we enjoy while giving to a worthy cause,"

Beach said. "And, without a doubt, this

was the best all-around match we have played all season. Two complete sets with no letdowns and high intensity," Beach said. "My second JV squad also competed very well and won in the extra time al-

After an exchange of possessions, the Tigers scored their only points at 3:14 in the third quarter on a one-yard TD run by Kautman. The point-after kick was blocked.

Humboldt needed just six plays before scoring on a 42-yard field goal by Trever Beach at 1:30 in the third quarter.

On the next series, Beach intercepted a Tiger pass and returned it to the Gilbert 36-yard line. Five plays later Lance Coon powered his way into the end zone for a four-yard touchdown run with 7:08 left in the game. Beach booted the PAT for a 31-6 lead.

Corey Dettmann caught three passes for 60 yards to lead the Wildcat receiving. Coon rushed for 36 yards on 12 carries.

Kaleb McCullough, 255-pound senior lineman, led the Wildcat defense with six solo tackles and three assists. Ty Gargano had five solos and four assists. Owen Hubbell made three solos and six assists.

Humboldt visits Nevada this week with the district title on the line. A victory would clinch it for Humboldt. Humboldt leads the all-time series between the two schools, 8-1. The first game in the series was in 1992, the first year of district play across the state.

Last year the Wildcats edged the Cubs in Humboldt in a thriller, 19-15, to clinch the district title.

"Now our focus is on the big game at Nevada next Friday night. It's another game where we will have to be ready to go and prepare well this week," Elman said. "We'll be playing for the district title this week."

"I can't wait for these guys to have that opportunity. It's something special. Again, the senior leadership out of this group has been amazing and I'm so proud of that," Elman said.

"There's probably a lot of people who didn't expect us to be in this position that we are in right now. That's what makes this season even more special is the work that these guys have done to make this even more special," Elman said.

from 4:00 range to 3:11. That means the girls in three, four and five are running faster than previously. Our five-runner average was 23:22, matching what we did last year. All of those are positive things," Clasen said.

"On our boys side, we had guys run pretty well. Kaden Caquelin improved by 1:36. He's been battling shin splints. Justin Ash is another one with shin splints and he was faster going from a fast course to a more challenging course," Clasen said.

"Graham Bakken and Sterling Scranton are figuring it out. They keep plugging away. Hayden Hansen and Carson Chambers both were 27 seconds over their Algona meet times. We had a whole

said. "Seniors like Jayden Gargano, Collin Vik are running hard and doing what they can. Up and down our lineup we have people who are competing better. That's the biggest thing."

"With just a few meets left, that's what you hope for. Gabe Thumma was aggressive early and was very, very competitive. I like how he's competing. We're coming around. The biggest thing is we want to be better at the end of the season compared to the first, which we are now. Now it's just a matter of taking some bigger steps and see if we can improve on our times at home in the conference meet," Clasen said.
