

# Color Run held on Tuesday, May 23 at IKM-Manning School; 4th-8th Graders take part

IKM-Manning Middle School students posed for a photo before the start of the 2nd Annual Color Run held on Tuesday, May 23. Each student received a t-shirt made by the High School FIRE class which were purchased using donations from Gals with Goals in Manilla and Chicks with Checks in Manning. Officer Tyler Hoffman was the Pace Car for the race. He also helped deliver water to the color sponsors. The purpose of the event was to provide a fun activity at the end of the year. Last year they won that award as the purpose was originally to provide an exercise related activity. This year it was more for fun. Below, the fourth grade students get instructions before the start of the Run.

There were six color stations around the course with sponsors listed at each station.

Fourth grade students come around the course through the color stations on Tuesday, May 23 at the 2nd Annual Color Run held at the IKM-School in Manning. The weather was warm with a slight breeze making the day perfect.

Students come in through the finish line after completing the the Color Run course on Tuesday, May 23.
