

Seth,
Thank you for the fabulous job you did of presenting the story of John Othow Day.

I'm sorry there were glitches that made the total day 'less than optimal.' We have a handle on the problem - and it won't happen again.

Welcome to the elite "Mug Club" of History LIVES! presenters ☺

Seth,
Thank you for attending the photography advisory board meeting. We greatly appreciate you!

Dear Mr. Boyers,

Thank you for having me come in, and taking time out of your day to teach me about journalism. I really did learn a lot!

Dear Mr. Boyes,

Thank you for taking the time out of your day to give me the opportunity to job shadow with you. Our day gave me a better understanding of Dickinson County News and the requirement of the job. The information I received was helpful in gaining a better perspective of this career. It was very useful to help me make decisions for my future.

I really enjoyed learning about your job and what a typical day is like for you. I did not know that you could go online or in person to the courthouse to look up information about people or that there were so many people involved in publishing a newspaper. I appreciate the advice you gave me on writing the newspaper articles.

sincerely,
Morgan Vander Veen
